**Order:**

1. Government of Andhra Pradesh, seeks to launch programmes that would compensate the adverse effects of bifurcation and create a level-playing platform, revitalise the economy, achieve growth rates higher than ten per cent per annum, create an enabling environment for accelerated industrialisation, and infrastructure development and exponentially expand employment opportunities. In the immediate short term, the Government is required to mobilise substantial financial resources to fulfil its assurances to the citizens, within the established fiscal framework.
2. To advice, assist, facilitate and support the Government in this endeavour, the Government hereby order the establishment of a Resource Management Committee (RMC) with the following:

Sri Y.S. Chowdary, Member of Parliament-      Chairperson  
Sri M.B.N. Rao, Ex CMD, Canara Bank -      Member  
Principal Secretary to Govt., Finance (R&E) -Member - Convener

The Committee will obtain the services of a suitable officer from the Indian Revenue Service (IRS) on deputation. The Committee may also co-opt other expert members as may be necessary.

3. The Terms of Reference (TOR) of the Committee will be as follows:
  - i. The Committee will advice the Government in identifying, mobilising and channelling resources required for effective implementation of various programmes that would compensate the adverse effects of State bifurcation and create a level-playing platform, revitalise the economy, achieve higher growth rates, create an enabling environment for accelerated industrialisation, infrastructure development and expansion of employment opportunities.
  - ii. The Committee will assist the government in mobilizing required resources by exploring all feasible options, identifying innovative and creative sources, means and methods and recommending appropriate measures for maximizing its resources.
  - iii. The Committee will consider all potential areas available for resource mobilisation, if required by hiring the services of specialists and specialised

agencies, national and international financial institutions, and work in close coordination with the concerned government departments, corporations, and entities and identify measures to create a growth momentum in the State within a short time frame.

- iv. The Committee will also advice the Government on resource prioritisation, efficient means of channelling and utilising resources and for creating an institutional mechanism for sustainable resource flows to finance the government programmes.
  - v. Any other responsibility entrusted by the Government from time to time.
4. The Committee will work in close coordination with all stakeholders and present its recommendations to the Government.
